

FOR IMMEDIATE RELEASE:

JSI Store Fixtures Completes Acquisition of KMP Fixtures

Milo, Maine – September 8, 2011 – JSI Store Fixtures announced today that it had completed the acquisition of KMP Fixtures of Atlanta, GA and Chicago, IL. KMP Fixtures is a successful, long-time fixture supplier to the retail equipment industry.

The acquisition of KMP strengthens JSI's position as one of the largest wood merchandising fixture manufacturers in the United States. This acquisition will enable JSI to continue as an industry leader in quality and service, and provide many new benefits to their customers including expanded product assortments such as innovative pastry cases, refrigerated orchard bins and wine departments.

JSI is very excited to welcome Dan Cassier, the former President of KMP, to JSI's management team as the new Director of Design. In addition, Redico and Group 4 Retail Equipment (longtime manufacturer's representative firms for KMP) will be joining JSI's sales team - allowing JSI to expand sales, customer service and distribution in the Southeast and Midwest.

"The acquisition of KMP could not have happened at a better time. We just finished celebrating our 20th anniversary of doing business and we are having a record breaking year in sales," stated Mark Awalt, Executive Vice President at JSI.

According to Terry Awalt, President at JSI, "we have always aspired to be a great company, one that pursues smart growth while maintaining exceptional service to each and every one of customers. All of us at JSI would like to thank our customers for your trust and support over the past 20 years. We promise to do our best to continue to meet your needs for the next 20 years and beyond!"
