# Introducing The Sebago Collection™

You asked. JSI delivered. The Sebago Collection™ offers retailers a full line of refrigerated and non-refrigerated orchard bins and accessories. Now, your refrigerated fixtures and accessories all have the same look and feel as the rest of your displays - bringing consistency to your produce department.

The farm-fresh appeal gives the look and feel of being in a farmers market, while a comprehensive line of accessories allows you to maximize merchandising space. Available in wide selection of sizes, styles and finishes... The Sebago Collection™ offers you the flexibility you need to create a merchandising masterpiece.

*Versatility and beauty all rolled into one.  
What more could a produce manager ask for.*

## Stains and Finishes

JSI offers the largest range of stains and finishes on the market. We have hundreds of colors to match any new design theme or existing store decor. Here are just a few of our most popular finishes.

**Corn Husk Bin**

Orchard Bin with pull out drawer for corn husk disposal

**Refrigerated Orchard Bin**

A self-contained compressor with raised air flow vents allows for mobility and maximum efficiency

**Pedestal Risers**

Offer maximum product visibility and available in a wide range of shapes and sizes

**Chalk Board**

Communicate product information or pricing on double sided chalk boards

**Eco-Friendly Paper Bag Holder**

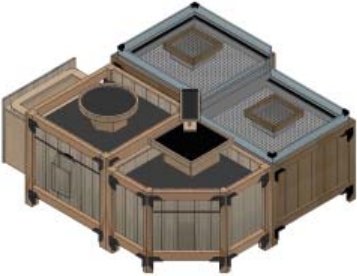

Wooden holder latches on to orchard bins and keeps paper bags in arms reach for customers

**Sign Holder Rods**

Great for displaying customized signage and graphics featuring local suppliers

**Wedge Bin**

Allows you to design your displays with different shape configurations
